## Profile

A nursing professional transitioning into software development, with four years of experience demonstrating excellent teamwork and stress management skills. My strong interest in technology and problem-solving led me to pursue a career change, and I am now seeking my first internship in software development as I approach graduation.

I am proficient in Java, React, Spring Boot, and SQL technologies, bringing a calm demeanor and a good sense of humor to the table. In my free time, I enjoy traveling, exploring different cultures, and engaging in sports such as swimming, running, and strength training.

## Employment History

### Registered Nurse, HUS - Meilahden yhteispäivystys, Helsinki

FEBRUARY 2023 – PRESENT

In the emergency department, I have gained experience in treating patients from an acute care perspective, meeting the requirements of various medical specialties. My work involves diverse patient care as well as seamless communication between hospitals and departments. Part of my role is also to support and guide patients' families. This experience has taught me the importance of teamwork and effective communication, as well as the ability to remain calm under pressure.

### Registered Nurse, HUS - Tapaturma-asema, Helsinki

MAY 2020 – FEBRUARY 2023

I worked in Finland's leading trauma-focused emergency department, where I honed my teamwork skills and learned to collaborate effectively in a multidisciplinary team.

### Lifeguard, Vantaan Kaupunki, Vantaa

JULY 2016 – 2020

Alongside my studies, I worked weekends and evenings as a lifeguard at various locations in Vantaa, including beaches and swimming halls. My responsibilities included providing excellent customer service, maintaining the cleanliness of common areas, guiding and assisting customers, and administering first aid in emergencies.

## Education

### Business Information Technology, Haaga-Helia University of Applied Sciences, Helsinki

JANUARY 2023

Expected graduation 6/2025

### Nursing, Bachelor's Degree, Metropolia University of Applied Sciences, Helsinki

JULY 2017 – MAY 2021

### Finnish Matriculation Examination, Helsinki

2012 – 2015
